Project Overview

[Khan El Galoud is a premium Egyptian handmade leather brand established in 2020, specializing in personalized genuine leather products. The brand focuses on creating meaningful, customized gifts such as leather wallets, card holders, clutches, and accessories made from 100% natural leather with high-quality craftsmanship.

The project aims to solve a common problem in the gifting market: the lack of unique, personal, and emotionally valuable gifts. Many available options are generic and lack a personal touch. Khan El Galoud addresses this by offering customized products that can be personalized with names, messages, or photos, transforming each item into a memorable and meaningful gift.

The project will be presented through a strong digital presence, including social media platforms, visual content, and storytelling-based marketing that highlights the emotional value of gift giving. The focus will be on building a brand that connects with customers on a personal level while showcasing the quality and authenticity of handmade leather products..]

Project Objectives

- Build a strong brand identity for Khan El Galoud as a premium handmade leather gift brand
- Increase brand awareness and reach through organic social media content and storytelling
- Boost sales by promoting personalized leather products as meaningful gift options
- Develop a consistent content and marketing strategy focused on gift giving and emotional connection

Project Scope

Creating and managing social media content (Instagram, Facebook, TikTok)

- Producing high-quality product photography and video content (Reels & short videos)
- Developing creative campaigns for occasions (Valentine's Day, birthdays, etc.)
- Highlighting product features such as customization, quality, and handmade craftsmanship
- Engaging with customers through DMs, comments, and community interaction

> **Final Deliverable:**

[A complete digital marketing strategy and content execution plan for Khan El Galoud, including branded visual content, social media campaigns, and a strong online presence that increases engagement, reach, and sales.]
